The Online Course for MR Safety Officers (MRSO) and MR Medical Directors (MRMD)

We hope that you find this information extremely helpful as you expand your knowledge in MRI Safety.

Your purchase provides you with a single user license for access to the complete online course for one (1) year from the date of purchase. This course includes 8 web-based learning modules of audio/visual content and downloadable PDF file resources. The complete online program has been approved for 10 Category 1 CME Credits™ and 10 ARRT Category A CE Credits. You may review any of the learning modules as often as needed prior to the expiration date of this purchase.

To obtain a CME/CE certificate the participant must successfully pass the online exam and complete the course evaluation form. Upon successful completion, one (1) appropriate CME/CE certificate will be issued with this purchase.

Access to The Online Course is made available for 365 days (1 year) beginning with the date and time of purchase. This provides flexibility to review the full contents of the 8 online modules and successfully pass the online exam to obtain a CME/CE certificate. Once the course review time has expired, the participant may purchase access to the program materials again, for further review and study.

Refund Policy: There are no refunds provided once the terms and conditions have been accepted and the contents of the program accessed.

Important Note: The *Online Course* for MR Safety Officers (MRSO) and MR Medical Directors (MRMD) is not affiliated with, nor endorsed by the American Board of Magnetic Resonance Safety. For information regarding ABMRS certification exams please see the following website. <https://abmrs.org/>
